

Dear Parents and Students,

College is around the corner, and the ACT® test is a critical next step. We are offering our students the opportunity to partner with TorchPrep, an innovative test training program that helps students unlock their highest potential ACT® score. With colleges more selective and expensive than ever, an investment in your student's ACT® score is an investment in their future.

Whether you're trying to get into the college of your choice or secure scholarship money, **TorchPrep will help!** Seats are limited, so check out their website and find the right help for you.
